

COMPANY PROFILE

ABOUT US

Founded in 2019 in the United Arab Emirates (UAE), iPay Global, a Fintech platform developed by the LOLC Group, a Sri Lankan-based financial services provider, is dedicated to advancing financial inclusion. With a strong vision of becoming a global leader in digital payment solutions and financial services, iPay Global operates in Sri Lanka, Cambodia, and is actively expanding into new markets, with the aim of achieving a global presence.

The company offers a suite of unique digital payment solutions, accessible across multiple platforms, fostering low-cost, secure, and efficient digital payments for customers and merchants worldwide.

LOLC Technologies is primarily owned (85%) by Singapore-based LOLC Financial Sector Holdings Private Limited and the remaining 15% by LOLC Technology Services Limited in Sri Lanka. This structure allows iPay Global to leverage its parent company's global resources while enhancing its potential and value creation for all stakeholders, further solidifying its presence in the dynamic Digital Payments and Fintech landscape.

VISION

iPay envisions a globally connected digital ecosystem, transcending payments to provide seamless access to comprehensive financial services, fostering innovation, transparency, and trust for individuals and businesses.

MISSION

to be at the forefront of innovation, continuously expanding our offerings to adapt to evolving customer needs.

strive to create a unified platform that overcomes financial barriers, enhances economic opportunities, and establishes digital transactions as second nature.
